## WE APPRECIATE *our region!*

### **WE LIKE HAPPY CHICKEN!**

that's why we get our eggs as well as our chicken meat from the regional poultry farm „kneip“ in briedel. there the happy chickens are allowed to enjoy lots of fresh air outdoors all day long. this is what is called a chicken-friendly life!

### **AND HAPPY PIGS!**

we get our pork meat from the butchery „kneppel“ from morbach. the pigs live a very happy life on straw in the newly built 3-climate-zone barn.

### **OUR PREMIUM BURGER BUNS...**

are always freshly baked from the regional bakery „dhein“ from argenthal.

### **WE LOVE SEASONAL DISHES.**

that's why we have different season menus. because every season has its own culinary charm.

*important note:*

**all our dishes are freshly prepared for your every day.**

**we therefore ask for your understanding if dishes have already been eaten during the day.**
