WELCOME TO ESSZIMMER!

for us, a restaurant is more than a place to eat.
it is a place to feel at home, enjoy and spend time together.

amid warm wood, urban design and a relaxed atmosphere, we serve everything we love ourselves: from your first morning coffee to an evening cocktail - fresh bowls, juicy burgers, the finest steaks, crispy schnitzels, homemade lemonades and plenty more favourite dishes.

our approach is the same every day: we cook fresh, put our hearts into our work and place great value on regional produce and real quality.
because great taste begins where provenance, quality and craftsmanship come together.

make yourself comfortable and enjoy your visit.
we are happy you are here!

WE VALUE *our region!*

WE LIKE HAPPY PIGS AND CATTLE

much of our meat comes from **metzgerei kneppel in morbach**.
short journeys, clear provenance and responsible animal husbandry matter a great deal to us.
the pigs enjoy a happy life on straw in a barn with three climate zones.

& HAPPY CHICKENS

that is why our eggs and chicken come from **geflügelhof kneip in briedel.** their happy hens spend all day outdoors, with plenty of fresh air and feed from the farm - just as chickens should!

OUR PREMIUM BURGER BUNS

are freshly baked just for us by **bäckerei dhein in argenthal**.
this creates the perfect texture, distinctive flavour and quality that make our burgers special.

important note:

all our dishes are freshly prepared for you each day.
we kindly ask for your understanding if some dishes have already sold out during the day.
